# Topping up the travel card

If my travel card is empty,

I top up my travel card at a service

or in Föli shop at [nettilataus.turku.fi](https://nettilataus.turku.fi)

Then I can go to the stop.

## Travel

I wait at the stop

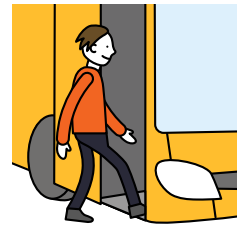

for the bus number:

I wave at the bus to ask it to stop.

I get on the bus.

I scan the travel card on the reader.

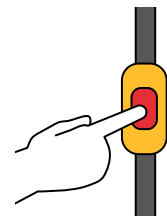

I take a seat.

If the bus is full, I stand and hold on to the rail.

I press the button when I want to get out.
